

Paignton 2022

PD (1) 1 Cailles' Foxy Gobber Uut 'T' Vossebeltseveld For Kamaze (Imp NLD) Impressive youngster who stands and looks well and covers the ground correctly. Well built and balanced, masculine black head of good strength, well set ears, and dark expressive eyes. Enough front angulation just would like more chest width, straight forelegs well boned with elbows in. Strong slightly arched neck well laid shoulders into a firm slightly sloping back and well set on tail. Well ribbed body with depth and substance with nice tuck up. Excellent coat long dense jacket with feather coming. Muscular hindquarters with good return of stifle and let down hocks. For one so young had a powerful stride and was sound with nice tail action.

JD (1) 1 Logies' Albadhu Wish Upon A Star, of good size and shape to this well balanced and built youngster. Masculine black head nicely moulded, well set and held ears, moderate eye of good shape would have liked a darker brown. Strong slightly arched neck into well laid back shoulders. Firm slightly sloping topline to a well set tail carried just a little too high for me. Lovely angles to body in condition and presentation in great textured coat with enough feathering. Straight balanced legs would have liked more strength of bone good feet. Nice side stride but a little close front and back.

YD (1) 1 Logies' Albadhu Walk On The Wild Side stood alone but so stood out for quality and breed type today at 22months is looking a correctly grown quality young dog who on the stack covered the ground well. Has a correctly shaped and moulded masculine black head and expressive dark brown eyes. A neck, slightly arched of good length into well laid back shoulders with a firm level slightly sloping backline to well set and carried tail. Well angulated front with depth and width to his chest, straight well balanced boned legs with tight feet. Muscular hindquarters with good return of stifle and strength, well let down hocks. Super coat texture and condition well patterned with nice feathering. Stylish mover very free with a good reach and drive. Pleased to award DCC and BOB.

PGD (2) 1 Prowses' Quilesta Simply Invincible nice type and build on the stance. Lacking in the strength of head, well hung ears, nice eye shape and colour. Good neck with slight arching into well set shoulders with enough upper arm angulation, just lacking in depth of chest straight well boned legs and compact feet. A firm backline with a slight fall, tail set just a little high with the higher carriage spoils his outline on the move. A strong body with ribs well back into a good loin. Quarters with enough return. Well presented and conditioned coat. Moved out well. 2 Makins' Tarknaya Sophies Snowstorm I preferred the head of this boy although I felt more strength was needed. Well shaped and set ears, eyes dark and expressive. Nice neck well shaped set into laid back shoulders into a firm sloping backline. Enough body correctly angled front and rear, well ribbed back although I would have liked more weight and substance. Straight balanced and boned legs felt feet could be stronger. For his age would have

liked more coat and finish. Moved out soundly but lacked the free reach and drive.

LD (2) 1 Makins' Taranya Bonnie's Brandy Mit Munset. Masculine head well developed with well laid ears, nice eye shape and colour. Strength of neck but would like more length. Correct shoulder layback and angulation firm back to well set on tail. Good width and depth to chest with straight well boned legs. Well bodied and ribbed back presented in a lovely lighter marked coat with feathering. Strong quarters well developed. Well boned and feet moved out freely with sound drive. 2 Simpsons' Ekkolander Dark Madness At Leriton nice overall shape and build. Good strength and built to his black head with correct skull, well set and hung ears, correct eye shape and colour with a good look. Would have liked more length to his neck and more front angulation, being a little too wide and lacking in chest depth. With enough weight substance to body with good length to well sprung ribs into a short loin. Hindquarters with a moderate return of stifle. Presented in nicely marked coat in condition just lacking coat finish. Balanced legs and tight feet moved out wide at the front and a little close behind.

OD (1) 1 Gregorys' Jaudas Let It Rock. This 5 yr old is of a lovely overall shape and size with a nice outline and presented in a well marked coat with nice feathering all in nice condition. Over a well ribbed back body with substance and depth. Lovely masculine black head of strength, nice dark eyes with expression, good dentition. Head held well into a slightly arched neck of good length into well laid back shoulders, I would like more front angle, having good chest depth and width. Excellent balanced and well boned legs with tight feet, hindquarters with good return of stifle and let down hocks. Moved out with soundness with reach and drive with a good side gait. DRCC.

VD (1) 1 Disneys' Sh.Ch. Wonglepong Will's Faramir very attractive masculine dog of good size shape and overall balance. For a dog just over 7 years old he was in lovely body condition although strong and muscular was carrying a little extra weight. Lovely breed type black marked head, well set and carried ears, nice dark alert eyes and strong muzzle. Good neck length and laid back shoulder with a correct backline to tail set a little high also carried a little high on the move. Excellent boned and balance legs correct feet. Well marked coat could have been slightly better presented, some nice feathering. Moved out freely just a little close behind and toeing to the front.

JB (1) 1 Simpsons' Ekkolander Persephone Red At Leriton although standing alone was a nice example of the breed at 15 months old was developing and maturing nicely. Lovely black head of good shape with a slight white blaze, correctly set and hung ears dark brown expressive kind eyes. Head held well on good neck of correctly set into shoulders, and firm sloping top line to well set on and carried tail. Nice deep chest and body for age would have liked more front angulation, straight legs and good feet. Well ribbed back with short loin covered in a flashy white coat with black patches. Good return of stifle moved out freely with good action just a little too close behind sound with reach at front.

PGB (1) 1 Gregorys' Jaudas Nice 'N' Easy, very feminine of good size lovely

overall shape and build. A feminine solid black head with a good breadth of skull although I would like a little more overall strength. Correctly set and hung ears, dark alert eyes, good tight lips to muzzle and dentition. Holds head proudly on a good clean slightly arched neck set into well-laid back shoulders. Has the correct backline to well set on and carried tail. Nicely angulated front and rear on a well ribbed back body with depth and substance. Having good width and depth to chest, straight well boned legs, tight padded feet. Muscular hindquarters with good return of stifle and let down hocks. Presented in an attractive ticked well textured and presented coat. A stylish sound mover with a nice free powerful stride and sound at both ends. BRCC.

LB (2) 1 Wilkins' Quilesta Simply Exquisite, certainly well named, lovely feminine bitch who at 3.5 years in my opinion is maturing nicely and must be coming into her own. Has good strength and breadth to her well shaped head, well positioned and hung ears, kind dark brown appealing eyes, good tight lips, strength to her muzzle, and black spongy nose. Slightly arched clean neck to well laid back shoulders, with a slight slope to her backline to well set on and carried and used tail. Nicely angulated front with good width and depth to her chest. A body with depth and substance and nicely ribbed. Presented in lovely condition with nice feathering to her darkly patched and ticked on white coat. Muscular hindquarters with let down hocks. Nice balanced and boned legs and tight rounded feet. Very free sound mover with good side stride and sound both coming and going. Pleased to award BCC I understand it is her second. 2

Prowses' Quilesta Just Endearing Mit Mermilmar well constructed darkly marked feminine head of strength, correct ear placement and dark brown kind eyes. Correct neck to well laid shoulders into a topline that is level but runs upwards to her tail making her rumpy. Enough front angulation and depth to chest, good body well ribbed back. Nicely boned legs and tight feet. Would like more return of stifle and stronger hindquarters. Well presented coat with dark saddle and nice ticked markings. Moved out freely but lacked the action of 1.

OB (4,1) 1 Butlers' Sh.Ch Toberworry Breaking Down At Jendella's Presented in lovely coat nicely marked and patched. With enough feathering to make it attractive. Lovely strong head well developed, nice expressive eyes. Holds head proudly on a long slightly arched neck set into well laid back shoulders, into a slightly sloping backline and well set tail. Substance and depth to a well ribbed back body, nicely angulated front and back. Correctly balanced legs well boned with compact feet. Moved out soundly with good stride. 2 Stevens' Ghyllbeck Fringillia Of correct size, balance and build with that nice outline on the stance. Lovely expression from sweet dark eyes in a correctly shaped broad black head. Proud head carriage on a muscular neck with slight arching, well laid back shoulders firm level sloping back line to tail set and carried too high. Well angled both front and rear of a good body that is well ribbed back and coated in a nice textured B/w ticked jacket with nice feathering. Well boned with tight rounded feet. A good free mover very close at foot at the front. Rear action is sound. 3 Logies' Albadhu Pawsitive Vibes JW.

VB (3,1) 1 Darbys' Sh.Ch. Brockchime Besta Both To Incadar R12 Vw This beautiful old girl is 10 years old and well put together and is in nice condition

and still retains good muscle tone. Of good size and build with a nice outline. Excellent head strength and shape well marked black with kind dark brown eyes. High set well hung ears. Good muzzle tight lips. Good length of arched neck into well laid back shoulders angulated front with depth and width to chest. Correctly bodied with sprung ribs, good body weight and depth. Muscular hindquarters. Nicely coated and conditioned heavily ticked coat with nice feathering. Stylish free mover just a little too close at foot. Happy well carried tail. 2 Leemings' Ashiowrick Ladies Day At Iscadu Slightly smaller build but with a nice outline to this 10 year old. Presented in nice physical condition. I would have liked her dark patched and ticked coat to have had less curl, nice feathering. Attractive well built broad dark black head, dark kind eyes. Slight arching to a short neck, firm level backline over a body with depth and substance. Enough angulation to the front and rear. Well boned legs and tight rounded feet. Moved out little too wide at front and running a little close behind.
